## A Study On Revelation (Week #79)

Pastor Jason Goss

**Revelation 12:18** Then the dragon took his stand on the shore beside the sea.  
**13:11** Then I saw a beast rising up out of the sea. It had seven heads and ten horns, with ten crowns on its horns. And written on each head were names that blasphemed God. **2** This beast looked like a leopard, but it had the feet of a bear and the mouth of a lion! And the dragon gave the beast his own power and throne and great authority. (NLT)

### Expectation

- There's probably not 1 person in 100 (including Freemasons) who know what they believe.
  - Most of what they advertise is at the open ranks.
    - ▶ The serious part of what they believe is behind closed doors, until you earn access.

**Keep** \_\_\_\_\_

- Letters to the churches.
  - Words of Jesus.
    - ▶ Only one book in the Bible claims to be special.
  - Only 2 chapters out of 22 that primarily refer to us.
    - ▶ Chapter 1 - Introduction
    - ▶ Chapters 2-3 - Letters to the Church
    - ▶ Chapters 4-22 - Future events

**Revelation 1:1** God blesses the one who reads the words of this prophecy to the church, and he blesses all who listen to its message and obey what it says, for the time is near. (NLT)

- Apostate Church
  - Apostasy: a total desertion of or departure from one's religion, principles, party, cause, etc.

**Genesis 11:1** At one time all the people of the world spoke the same language and used the same words. **2** As the people migrated to the east, they found a plain in the land of Babylonia and settled there. **3** They began saying to each other, "Let's make bricks and harden them with fire." (In this region bricks were used instead of stone, and tar was used for mortar.) **4** Then they said, "Come, let's build a great city for ourselves with a tower that reaches into the sky. This will make us famous and keep us from being scattered all over the world." **5** But the Lord came down to look at the city and the tower the people were building. **6** "Look!" he said. "The people are united, and they all speak the same language. After this, nothing they set out to do will be impossible for them! **7** Come, let's go down and confuse the people with different languages. Then they won't be able to understand each other." **8** In that way, the Lord scattered them all over the world, and they stopped building the city. **9** That is why the city was called Babel, [Babel sounds like a Hebrew term that means "confusion."] because that is where the Lord confused the people with different languages. In this way he scattered them all over the world. (NLT)

[There is no speech or language where their voice is not heard.] **4** Yet their message has gone throughout the earth, and their words to all the world. (NLT)

- You could study the Bible as a drama between two cities
  - Babylon (Bab-el): The city of man; satan
  - Jerusalem: The city of God (Isaiah 66)
- The occult lies behind a large amount of our secular history
  - Rise of Nazi Germany
    - ▶ Thule Society: beliefs are the core beliefs behind the Nazi party

    - ▶ Hitler did have a preoccupation with the occult. (Longinus' Spear, Ark of the Covenant)
- Are there powerful pagan cult alliances today?
  - Lots of suspicion: Johann "Adam" Weishaupt - the Illuminati, Bilderberg meetings, Freemason

- Most people only make it to the third level
  - ▶ Social group trying to do good for society (lodge, rotary, etc.)
- Many try to link Freemasonry to Solomon's temple
  - It actually goes back much further - all the way back to Bab-El
  - Embracing occulting beliefs of the Rosicrucians, etc.
    - ▶ The mysterious doctrine of the order is "built on esoteric truths of the ancient past", which "concealed from the average man, provide insight into nature, the physical universe, and the spiritual realm." [3] The manifestos do not elaborate extensively on the matter, but clearly combine references to Kabbalah, Hermeticism, alchemy, and Christian mysticism.

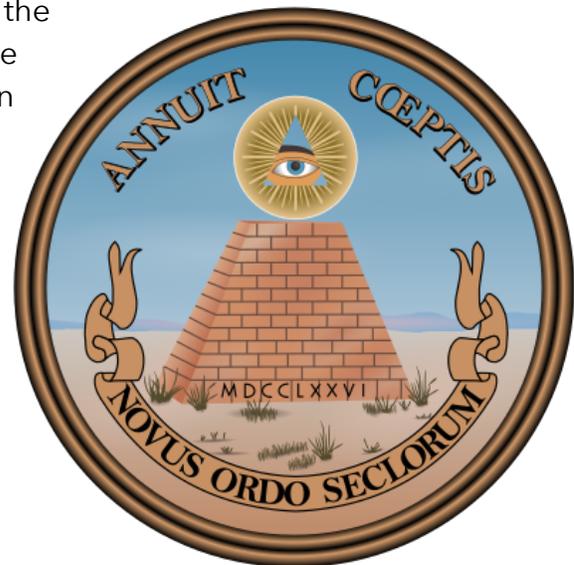

### The Legend of \_\_\_\_\_

- Related to the construction of the Temple, Masonic tradition records the legend of Hiram Abiff in the Third Degree.
  - Hiram, King of the realm of Tyre (today, in the modern nation of Lebanon), is credited in 2 Samuel 5:11 and 1 Kings 5:1-10
  - In 1 Kings 7:13-14, Hiram is described as the son of a widow from the tribe of Naphtali who was the son of a Tyrian bronze worker, sent for by Solomon to cast the bronze furnishings and ornate decorations for the new temple. From this reference, Freemasons often refer to Hiram (with the added Abiff) as "the widow's son."
  - 2 Chronicles 2:13-14 relates a formal request from King Solomon of Jerusalem to King Hiram I of Tyre, for workers and for materials to build a new temple. King Hiram (Hiram in Chronicles) responds "And now I have sent a skillful man, endowed with understanding, Hiram 'abi. (the son of a woman of the daughters of Dan, and his father was a man of Tyre), skilled to work in gold and silver, bronze and iron, stone and wood, purple and blue, fine linen and crimson, and to make any engraving and to accomplish any plan which may be given to him, with your skillful men and with the skillful men of my lord David your father." The phrase italicised above is translated in the New King James Version as "Hiram my master craftsman".

- The allegory describes Hiram Abiff as Chief Architect working alongside King Solomon and Hiram of Tyre. Construction of the temple lasted years, and members of the craft were frustrated with the longevity of the building process and the time required to advance in their titles and expertise. Three demanded Hiram divulge the knowledge of a Master Mason in order to accelerate their advancement in Masonry without the required years of experience. Upon Hiram's refusal, the men struck him dead.
- In the night, the murderers moved his body outside the city to be buried, marking the site with a sprig of acacia. The grave, however, was soon discovered and those at fault were brought to justice. Freemasons throughout the world find meaning in the legend of Hiram as an example of faith, fidelity, courage, and justice.
  - Package these things in innocuous, socially acceptable trappings, don't realize what they are involved with
    - ▶ Required to believe in a supreme being. The title they love to use, "the great architect of the universe."
- Much of their thinking comes from Francis Bacon, an occultic commitment to the new Atlantis.

### Speeches and \_\_\_\_\_

- "The angel that rides in the whirlwind and directs this storm."
  - President Bush
- Below the surface realities that may for political reasons be hidden from the radar of civilians, while at the same time signaling the brokers of power concerning the real or deep, political, spiritual agenda at play.
  - Code words and phrases
    - ▶ Mother Of All Bombs - M.O.A.B.
    - ▶ "A Fire in the minds of men"
  - The reverse side of the Great Seal of the United States (1776). The Latin phrase "novus ordo seclorum", appearing on the reverse side of the Great Seal since 1782 and on the back of the U.S. one-dollar bill since 1935, translates to "New Order of the Ages"
    - ▶ Term taken from the New Atlantis by Francis Bacon

## The Number \_\_\_\_\_

- Represents a dark vision
- Doubling (22) the vision combined with action
- Tripled (33) the vision + action = accomplishment
- Is it a mere coincidence that exactly
  - 11 years to the date following George H. W. Bush's "New World Order" speech
  - And 11 years before 2012
  - On September 11, 2001, Flight 11 crashed into the Twin Towers whose appearance side by side not only formed Masonic-like pillared gateway,
  - But also architecturally depicted the number 11
  - Also consider flight 11 hit the twin towers first, and flight 11 had eleven crew members
  - New York was the eleventh state to be added to the Union
  - The words New York City have eleven letters
  - Afghanistan, the first nation the US attacked following 9/11 has eleven letters
  - The name George W. Bush has 11 letters
  - The words, "The Pentagon" which was also attacked on 9/11, has eleven letters
  - Flight 77 which hit the Pentagon, which is located on the 77th meridian
  - The foundation stone for the Pentagon was laid in 1941 on September 11th in a Masonic ceremony
- Probably just coincidence? BUT within the cult of Freemasonry this takes on profound significance.
  - Occultic influence over presidents should be concerning
    - ▶ Lest we forget at least an over-the-shoulder acknowledgment to the very first radical: from all our legends, mythology, and history (and who is to know where mythology leaves off and history begins – or which is which), the first radical known to man who rebelled against the establishment and did it so effectively that he at least won his own kingdom – Lucifer. Quoted from Saul Alinsky's book "Rules for Radicals."

**Revelation 4:1** "Write this letter to the angel of the church in Pergamum. This is the message from the one with the sharp two-edged sword: **13** "I know that you live in the city where Satan has his throne, yet you have remained loyal to me. You refused to deny me even when Antipas, my faithful witness, was martyred among you there in Satan's city." (NLT)

- Most people will miss the similarities, but not those with an occultic background. It's symbolic to them. (Think Lion and Lamb).
- There are roots in the occult
